Liva sofa series

Designed by Charlotte Høencke

The Liva is a sofa that stands out from the crowd. There are clear references to 50s style and a touch of "Gentleman's Club" with the characteristic wings, high back and striking lines. Vitro Marble series

Tuk series

Designed by Büro Famos

A contradiction in construction this marble top has no frame, with its turned wooden legs sneaking into metal fixtures in the top. Different heights let you put several together and according to the designers it evokes 'recollections of prehistorical pile dwellings'. We're not sure what this means either, but it looks amazing
